# Anti-Drug Rule – Mount Vema Royal Order

## **Rule 10082021-1**

The Anti-Drug Rule is a Royal Mount Vema Order to deter drug dealers from targeting Mount Vema and its citizens.

In exercise of the powers conferred upon The Sovereign of Vema Seamount under GOD, and of all other powers enabling Him, His Mount Vema Majesty King Peter Jon Goldishman, Ruler of the Kingdom of Mount Vema, and the territorial waters at 31 38' S 8° 20' E, under GOD hereby Grants His Royal Seal of Approval, for the following Rule:—

**Rule 10082021-1:** This Royal Mount Vema Order prohibits all visitors, and residents in Mount Vema, including Mount Vema citizens anywhere in the world from using all types of narcotic drugs, except for medical and scientific purposes.

## **1- Prohibition**

Mount Vema Citizenship will be revoked with no right to appeal, if a citizen of Mount Vema is found to be consuming any of the following types of drugs unless prescribed by a registered doctor:

- Barbiturates, pentobarbital (Nembutal), secobarbital (Seconal), and amobarbital (Amytal)
- Benzodiazepines, temazepam (Restoril; Normison; Euhypnos), flunitrazepam (Rohypnol; Hypnor; Flunipam), and nimetazepam (Erimin)
- Cannabis products, including marijuana, hashish, and hashish oil
- Dissociatives, phencyclidine (PCP), and ketamine
- Hallucinogens such as LSD, mescaline, peyote, and psilocybin
- Empathogen-entactogen drugs like MDMA ("ecstasy")
- Narcotics, opiates such as morphine and codeine, and opioids such as diacetylmorphine (Heroin), hydrocodone (Vicodin; Hycodan), oxycodone (Percocet; Oxycontin), hydromorphone (Dilaudid), and oxymorphone (Opana).
- Sedatives such as GHB and methaqualone (Quaalude)
- Stimulants such as cocaine, amphetamine (Adderall), dextroamphetamine (Dexedrine), methamphetamine (Desoxyn), methcathinone, and methylphenidate (Ritalin).

## **2- Consequences**

If a Mount Vema citizen in Mount Vema or overseas, or anyone living or working in Mount Vema is found to be consuming any of the prohibited drugs under this Rule 10082021-1:

- a)- The Mount Vema citizen will have citizenship revoked if dual national and living overseas or, incarcerated for not less than 55 years if living in Mount Vema.
- b)- The resident living and working in Mount Vema will be incarcerated for not less than 45 years, and subsequently deported to country of origin. Lack of record of country of origin, incarceration may be extended.
- c)- Visitors on tourist visa, will be incarcerated for not less than 35 years, and subsequently deported to country of origin. Lack of record of country of origin, incarceration may be extended.
- d)- Sentences may be reduced at the Judge's discretion if anyone who is found guilty, provides name and a traceable contact detail of the supplier to assist law enforcement agencies with their investigations to find the source.

## **3- Testing**

Citizens in Mount Vema or overseas, and legal residents in Mount vema are subject to random tests in their workplace, at the academies (schools and universities), in hospitals, or during a lawful stop and search operation by law enforcement agencies.

## **4- Consciousness**

- a)- Citizens and residents must be aware that the Kingdom of Mount Vema prohibits the import, possession (which the law may interpret as facilitating smugglers intending to use the state as a transiting point), marketing, sale, distribution, export, and use of all narcotic drugs, except for medical (through the prescription system) and scientific purposes.
- b)- Citizens and residents must collectively endeavour to live a lifestyle which do not promote the state as a marketplace for illegal drugs by simply seeking medical attention when needed as opposed to solicit to buy and use illegal drugs.
